

Greetings!

I hope that you are getting into the routine of things as fall sports have kicked off into full gear. As the new school year is starting up WyoATA BOD is winding down from the state meeting. I would like to thank all who came to the meeting this year in Casper.

The meeting was full of amazing speakers and topics over the weekend. On Monday the IASTM class taught by HawkGrips class was a huge success. If you enjoyed the class and would like to take the second course please let us know so that we can start making arrangements for that. The secretary elections are officially over and there was record number of 39 members who voted. Thanks for taking time out of your day to make your voice be heard! I would like to be the first to congratulate Cammie Brost for winning the election; best luck over the next three years. I also would like to say a special thanks to Joanna Fletcher for running for secretary. In other news that I would like to share is the board met on Sunday after the state meeting. As a whole we decided to increase the dues from \$20 to \$30. The increase of dues will go towards the state meeting and the legislation account. The increase of monies will be split 50/50 into the said areas.

At the RMATA board meeting it was decided to change website hosts. With that being said the WyoATA website had to be changed or the website would be dropped completely. So, we again have a brand new website that looks amazing. Please go check it out at [www.wyoata.org](http://www.wyoata.org). Thanks Amanda Monterastelli for taking this challenge on again!

Last but not least the board will be meeting again in December, in Casper. If you have any topics that need to be addressed please let a board member know. One hot topic that will be discussed is creating sub-committees; this is a great way to get involved in the state association and if you would like to help out please let us know.

I would like to take a moment and thank each and every athletic trainer in the state for all you do. Also, if there is any concern or question that you have please reach out to a board member. We are here to help you!

Best Regards,

Jenna Walker  
WyoATA President
